

# **AG SHIELD**

## **Multi Trailer**

## **ALL IN ONE**

### **Bale Hauler and Flat Deck**

- **One person hay hauling system**
- **20,900 lb carrying capacity**
- **Converts from flat deck to bale hauler in seconds**
- **Saves Time and Money**

## KEY FEATURES:

### UNMATCHED VERSATILITY

Change the trailer's configuration from flat deck to round bale hauler in under a minute.

Haul 20,900 pounds of anything you want: Tractor, ATV(s), bales (round or square)

### MINIMIZE YOUR LABOUR

The **Multi Trailer** is a one-man bale hauling system. Haul the tractor to the field, unload and convert the trailer to bale configuration.

Load the trailer and haul to the dump point.

Dumps round bales into neat rows with just a pull of a lever

### SAVE MONEY

Flat deck and bale hauler for the cost of one trailer.

One trailer to maintain and license.

Only one tractor required as unloading yard tractor is not needed.

Low Labour costs.
